

Eimeo Surf Life Saving Club Inc

2022/23 Season

Annual Report & Financial Statement

**‘Facts and figures of annual reports
do not make history.
Nor do they make the Surf Life Saving
Association.
It was the joy of living,
the joy of the sea,
and a joy in challenging nature
with a life to save a life,
With a certain knowledge
that win or lose
there would be no reward.
That made the Surf Life Saving Association.
Here lies the treasure.’**

Sir Adrian Curlewis

Senior Team Manager:	Stewart Richardson
Junior Team Manager:	Lauren Armstrong
Uniform Coordinator:	Eve Phegan
BBQ Coordinator:	Monika Foldi
Patrons:	John & Gaye Galea

PRESIDENT'S REPORT

2022-2023 Season

The surf lifesaving season has come to an end for 2022-23, and I'm sure many of us are looking forward to a little break over winter.

This season was my first as President after being in the Club Captain for a few years, and it was certainly an eye opener having to be involved in management of the whole club rather than just worrying about the patrols and keeping the red and yellow flags up!

Firstly, I would like to thank all those who have helped in many ways throughout the season, whether it be through patrolling, administration, nippers water safety and age managers, any all the small roles that have had volunteers step up to make it all happen. Thanks everyone!

Also well worth a mention is our hardworking administrator Tenealle who started with us this season. Tenealle has been a part of the club for many years and has taken on the role after our long-time administrator Louise stepped away to focus on managing the Eimeo Supporters Club. I'm sure this year has been a challenge for Tenealle being new to the role and with plenty of fresh faces in the committee who are also learning the ropes, but she has done an awesome job trying to manage us all. Thanks Tenealle! And thanks to Louise for all her years' service and continuing to look after our Supporters Club.

First and foremost, I think it's worth recognising why the surf lifesaving club exists, and that is to provide a safer place as possible for beachgoers who attend Eimeo Beach. As I do every year, I think it is worth noting that the patrolling members are the backbone of Eimeo SLSC. Without patrolling members keeping the red and yellow flags up, we have no club. No club means no nippers. No nippers mean no young patrolling members coming through. No patrolling members means no red and yellow flags – and no patrolled beach for the community on the northern beaches of Mackay. It is all one big cycle that just keeps going around, and it's why the efforts of our patrolling members are very important and much appreciated!

Traditionally for Eimeo SLSC, many of our patrolling members are drawn from our nipper parents who maintain our patrols and keep the club chugging along, as well as the nippers who come through the ranks to join the patrol groups.

For us more mature patrolling members, many of us enjoying the social aspect of patrolling and with the satisfaction of doing something for our community. And where better place to do that than on one of the prettiest beaches on the QLD coast!

For the more junior members coming through and into patrolling groups, patrolling not only gives them the skills they learn through doing their SRC or Bronze, but it also teaches them valuable life lessons in being able to work as a team, commit to a cause and be involved in their community on a positive level.

PRESIDENT'S REPORT (cont.)

For those nipper parents reading this, we try to make our patrol roster flexible to accommodate shift workers and other events people might have. And as we really are a family club, we roster family groups together so that Mum, Dad, the older kids can patrol together, and the nippers usually come along and get to spend an extra 4 hours on the beach being active and having fun and getting exposure to what it takes to be a patrolling member and a volunteer within the community – quality family time! It doesn't get much better than that!

Keep an eye on the emails and social media for upcoming courses and start doing a few laps in the pool to get that fitness up and you can join us next season!

For our nipper and junior competitors – this year has certainly been a success. Our carnival results this year as a club have been outstanding and have been on the back of the strength of our junior competitors. To have 14 of our nippers selected based on their performance in the North Barrier Branch Team to attend the QLD State Junior Titles is huge, and their performances at the titles were impressive with standout performances being –

- 3rd - Will Henry as part of All Age Relay
- Rhy Phegan and Maddi Malagueno 1st in the Mixed U11 Relay
- Maddi Malagueno and Sophie Stubbs 1st in the U11 Girls Relay and
- Sophie Stubbs 1st in the U11 Girls Swim race

This was also on the back of some massive performances at the State Surf Rescue Championships with Nate McKinnon claiming gold in the U14 male and Zara Richardson silver in the U14 female. Both athletes then travelled to Perth to compete at the Aussies, with Nate winning gold in the U14 male Surf Rescue event and Zara a strong 6th. Nate is Eimeo SLSC's first ever individual gold medallist at an Aussie Titles.

Congratulations to all junior competitors on an outstanding season and thank you and well done to all those members who stepped in as coaches, team managers and officials to make it all happen!

Our Sunday nippers program was well run with Alecia filling the JAC role and putting in a lot of work to make for some fun Sunday mornings on the beach. I hope all nippers had fun throughout the season and will be back next season. Discussions are currently being held to start our nipper season a little earlier, and to finish at Christmas time to try to eliminate the problems with beach closures for stingers. This will hopefully make for a safer and less interrupted nipper program. Again, thanks to those who make nippers happen on Sunday mornings, from Alecia our JAC, to the age managers, BBQ cooks and everyone else who pitches in and helps out to make nipper mornings run smoothly.

PRESIDENT'S REPORT (cont.)

In regard to club fund-raising, we have unfortunately lost our main fundraiser that we have held for the last 10 years in providing the bar for the Food and Wine festival for this year.

However our committee is busy planning numerous other fundraisers over the next 12 months, including an outdoor big screen movie night at the club, and Oktoberfest at Eimeo Beach on the October long weekend. We are also lucky to have picked up the support of many businesses in our community that have come on board to offer sponsorship which is much appreciated and we are very thankful for!

We also have our 20th (+2 thanks to Covid) anniversary event in August which has almost sold out. This promises to be a great evening with Bonnie Hancock as a guest speaker, and many old members of the club returning for the event.

Lastly, I want to thank the club committee for all their work and effort this season, and all members for contributing to Eimeo SLSC and making it a beaut club to be a part of!

See ya on the beach next season!

Damo (Damien Watts)

CLUB CAPTAIN'S REPORT **2022-2023 Season**

It is with great pleasure and privilege that I present the Club Captain annual report for our Surf Life Saving Club. Over the past season, I have had the honor of working alongside our dedicated Patrol Captains and their teams to fulfill our patrol obligations and ensure the safety of beachgoers in our area.

I would like to acknowledge the outstanding efforts of our Patrol Captains and their teams. They have consistently shown dedication, professionalism, and a strong sense of responsibility towards our community. Their commitment to fulfilling patrol obligations is commendable, and it is a pleasure and privilege to work with such a capable and passionate group of individuals.

Throughout the year, we fostered a strong sense of camaraderie amongst our patrol members. This unity and mutual support were essential in maintaining a positive and productive atmosphere during our patrols. We have also seen a strong sense of community within our club, with club members stepping up and filling in where needed to cover patrol hours. This level of support has been crucial in meeting our obligations and ensuring the safety of our beach. I want to express my gratitude to all those who have contributed their time and effort. The willingness to support one another truly embodies the spirit of our Surf Life Saving Club.

I am pleased to report that many of our members have achieved new qualifications and up-skilled themselves over the past season. This commitment to personal growth and improvement is commendable and reflects our club's dedication to excellence. I would like to extend a special thank you to Cynthia, our Chief Training Officer, who has worked tirelessly to train new patrolling members. Your efforts have not gone unnoticed, and we warmly welcome the new members to our Surf Life Saving family. Their contributions have already made a positive impact on our patrols.

CLUB CAPTAIN'S REPORT (cont.)

Despite being a small group of patrolling members, we have consistently met our obligations and provided a high standard of service to our beachgoers. This achievement is a testament to the teamwork, discipline, and commitment displayed by everyone involved. Each member's willingness to go above and beyond their duties is truly commendable.

In terms of administrative tasks, our handling of LIMSOC team allocations and paper recordings was efficient and effective. We adapted well to the system and ensured accurate records were maintained. Additionally, the way everyone embraced the marine stinger risk rating system was impressive. The safety of beachgoers is always our top priority, and the implementation of closed beach days, when necessary, did not hinder our commitment to providing assistance and ensuring a safe environment.

Looking ahead, I encourage all members to continue seeking opportunities for up-skilling and achieving new qualifications. This continuous learning and improvement will further enhance our capabilities as a Surf Life Saving Club. Let us continue to work together, support one another, and strive for excellence in all our endeavors.

Thank you to everyone for their hard work, dedication, and unwavering commitment to our Surf Life Saving Club. It is an honor to serve as your Captain, and I am proud of what we have accomplished together.

Sincerely,

Andrew Malouf
Club Captain 2022/23

Thank you to all Patrolling Members this Season!

DOSS REPORT 2022-23 Season

Eimeo ripped into the new surf sports season; this was largely in part to the amount off season winter training that was done by the Nippers. I must commend those children who continued to turn up to the training throughout winter even on those cold days when jumping in the water seemed like the last thing you wanted to be doing. A big thanks to the commitment of the competitors this season and their parents for getting them to training and travelling to carnivals, and the effort put in by our coaches.

The Surf Sport season started on Magnetic Island at the Arcadian Carnival and the introduction of the new live heats system. This year we had 19 members compete and this comprised of both junior and senior members. The high number of competitors meant we were able to field strong teams across many events. It proved to be a very successful carnival with Eimeo coming in 5th in the overall points.

Forrest Beach was next in the carnival schedule where we had 11 members (only juniors) travel up to compete. We had good results and were able field numerous teams. Again, we came in 5th in the overall points.

North Aussies was very successful with 20 competitors in both the Pool Rescue Competition and the Beach Carnival. The results from the competitors at this carnival was absolutely outstanding, with numerous top three placing across the competition. Eimeo finished the carnival in 9th position out of the 24 clubs that competed, additionally we finished as the second club for North Barrier Branch finishing behind Arcadia, which is an amazing result.

Zara Richardson and Meliana Craig were selected in the Queensland Country team and were wonderful representatives for our club. Meliana was part of a team that medalled.

Eimeo SLSC hosted the NBB Surf Rescue Championships this season and under Cathy McKinnon's coaching we had some great results from our competitors, with some coming away in top spot for the branch. The carnival went very well with everything running according to plan. Following the great results from the NBB Surf Rescue carnival Nate McKinnon and Zara Richardson with Cathy McKinnon as their coach competed at Queensland Surf Rescue championships and got some amazing results, with Nate getting 1st in the State and Zara 2nd in the State.

DOSS REPORT (cont.)

North Barrier Branch Championships were held at Mackay SLSC. We had 27 junior and senior competitors attend this season. Once again there were some amazing results in the individual events with a combined total of 19 first places, 15 second places and 10 third places. In the team events Eimeo proved very successful, with 14 first places and 8 second places. These results meant that nearly every nipper came away with at least one medal from the team competitions. Eimeo finished in 3rd position in the overall NBB rankings.

We had 17 nippers complete Expressions of Interest for the NBB State Team. I am happy to report that 15 of these competitors were selected in the team. All these people travelled to Mooloolaba SLSC in February for State Youth Championships. We had some fantastic results as part of the NBB team. Madison Malagueno, Will Henry and Rhys Phegan all grabbed medals in team events and Sophie Stubbs claimed an individual 1st in the U11 female surf race. This makes her one of only a select group at Eimeo SLSC to have claimed an individual gold. North Barrier Branch finished 8th overall out of 45 clubs, which was a great achievement.

This year both Zara Richardson and Nate McKinnon entered the Aussies event which was held in Perth. They then competed in the Australian Surf Rescue Championships where Nate McKinnon won his age making him Australian champion and Eimeo's first Australian gold medallist. Well done to both these strong competitors on their great results.

Thanks to everyone who steps up to help with water safety at trainings. Thanks to all those who help meet our ratios at carnivals by doing water safety, driving IRB's, wearing the Officials shirt or being an Age Manager.

Congratulations to all competitors on a successful Surf Sports season.

Regards

Ross Armstrong

DOSS 2022/23

JUNIOR ACTIVITIES REPORT **2022-23 Season**

It is with great pleasure and pride that I present the Annual Report for the Nippers program of our Club. Over the past season, I have had the privilege to work with an amazing team of dedicated individuals who have tirelessly contributed their time and effort to deliver an exceptional program for our young members. Together, we have witnessed the smiles on the faces of our Nippers as they participate in various activities, building their skills, enjoying themselves, and forming lifelong friendships.

The Nippers program has been a cornerstone of our Club, providing a nurturing environment for our young members to learn and develop crucial ocean safety skills. Throughout the season, our team has worked diligently to deliver a structured curriculum that combines education, physical activity, and fun. From ocean awareness and surf safety to basic first aid and rescue techniques, our Nippers have gained valuable knowledge that will stay with them for a lifetime.

It has been truly rewarding to see the joy and enthusiasm in the faces of our Nippers as they participate in various beach activities. Whether it's learning how to swim in the surf, diving for flags, or competing in friendly board races, the excitement and sense of achievement they experience are immeasurable. Their smiles and laughter have been the driving force behind our continued commitment to providing an exceptional Nippers program.

One of the most remarkable aspects of our Nippers program is the sense of camaraderie and friendship that develops among the participants. Throughout the year, our Nippers have had the opportunity to interact with their peers, forming bonds that extend beyond the beach. These friendships not only provide a strong support network but also foster teamwork and cooperation, essential skills that will benefit them in all aspects of their lives.

As I reflect on the past season, I am filled with excitement for the future of our Nippers program. It is an absolute privilege for our Club to watch our young Nippers grow from U6 and U7 participants into capable and confident individuals who now hold Surf Rescue Certificates (SRC) and Bronze Medallions. Their progress is a testament to the dedication of our team and the unwavering support of their families.

Thank you to everyone that provided feedback through our survey. Looking ahead, we are committed to improving our Nippers program based on this feedback, ensuring that it remains a cornerstone of our Club. We will continue to refine our curriculum, provide ongoing training opportunities for our instructors and volunteers, and explore new initiatives to enhance the overall experience for our Nippers. With each passing season, we are excited to see more young members progress through the program and contribute to the future success of our Club.

JUNIOR ACTIVITIES REPORT (cont.)

I would like to extend my heartfelt gratitude to the entire Nippers team, and the families who have supported us along the way. Your dedication and passion have made our Nippers program a resounding success. Together, we have provided an exceptional environment for our Nippers to learn, grow, and forge lifelong memories.

As we move forward, let us continue to embrace the privilege of working with this amazing team and witnessing the smiling faces of our Nippers. Let us celebrate the skill development, enjoyment, and friendships formed, while nurturing the future of our Club.

Yours Sincerely

Alecia Malouf
JAC 2022/23

ALBATROSS REPORT **2022-23 Season**

We kicked off our 2nd season of the Eimeo Albatross Nippers program for kids with special needs. What a successful season with 5 fulltime Albatross Nippers joining. Thank you to the parents and carers coming along each Albatross Nippers. Our rolling sponsorship from Peabody and Dalrymple Bay Coal Terminal has ensured our Albatross Nippers are looking snazzy in their stinger suits, high-vis Albatross vests and pink noddy caps. Our generous sponsors have also ensured the program is kitted out with fun and educational equipment including the parachute and crawl tunnel.

Our Albatross Team Heath Cruckshank, Jude Lansbury, Amaya McKinnon and the rest of the team do an amazing job running this program. Thank you! And our parents and carers are a great support to the program, helping out on our Sunday's.

The program is continuing to grow in numbers, which is great, but also means we need a bigger Albatross team of volunteers to provide support. If you are interested in helping out, or know someone who is, please tell them to give us a yell. We run the program every second Sunday through the regular Nippers season.

Albatross Nippers – Sky's the limit!

Alison Reif
